The image shows a matching exercise. On the left, there are ten items: a candy cane, a doll, a cookie, a drum, a gingerbread man, a lollipop, a cupcake, a beach ball, a Christmas tree, a robot, and a toy car. On the right, there are two gift boxes: a red one labeled 'treats' and a cyan one labeled 'toys'. Colored lines connect each item to its corresponding box: a red line from the candy cane to the red box, a yellow line from the doll to the cyan box, a brown line from the cookie to the red box, a blue line from the drum to the cyan box, an orange line from the gingerbread man to the red box, a pink line from the lollipop to the cyan box, a blue line from the cupcake to the cyan box, a grey line from the beach ball to the cyan box, a green line from the Christmas tree to the cyan box, a purple line from the robot to the cyan box, and a purple line from the toy car to the cyan box.
