

Units of weight: ounces & pounds

Grade 2 Measurement Worksheet

Draw lines from each object to the best measurement unit for it.

<p>A tennis ball</p> 	<p>A dog</p> 	<p>An apple</p> 	<p>A man</p> 
--	--	--	--

OUNCES

POUNDS

<p>A toy car</p> 	<p>A spoon</p> 	<p>A full box</p> 	<p>A desk</p> 
--	--	--	---

Note: We measure lighter objects (like pencils) in ounces and heavier objects (like a printer) in pounds.
