Count and Color

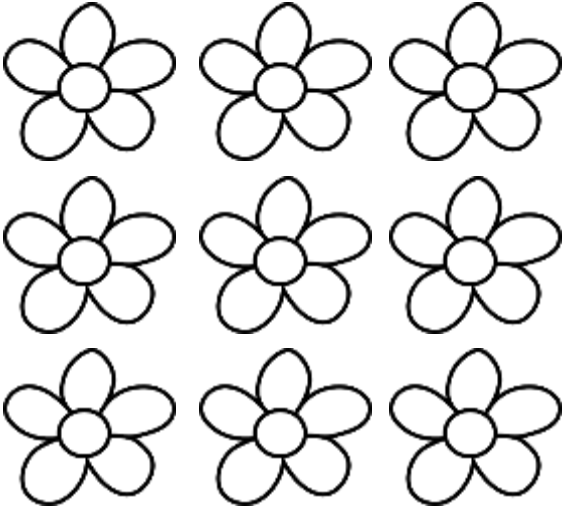

Valentine's Day Worksheet

Count out and color the number of objects.

3

This panel features a large grey circle with the number 3 at the top. Below it are two rows of three balloons each. The top row contains three pink balloons with wavy ribbons. The bottom row contains three white balloons with wavy ribbons, intended for coloring.

6

This panel features a large grey circle with the number 6 at the top. Below it are three rows of three flowers each. The top two rows contain red flowers with five petals and a white center. The bottom row contains three white flowers with five petals and a white center, intended for coloring.

5

This panel features a large grey circle with the number 5 at the top. Below it are three rows of three envelopes each. The top two rows contain blue envelopes with a heart-shaped card that says "I LOVE YOU!". The bottom row contains three white envelopes with heart-shaped cards, intended for coloring.

8

This panel features a large grey circle with the number 8 at the top. Below it are three rows of three diamonds each. The top two rows contain green diamonds. The middle row contains two green diamonds and one white diamond with black outlines, intended for coloring. The bottom row contains three green diamonds.
