

Shirt color data analysis

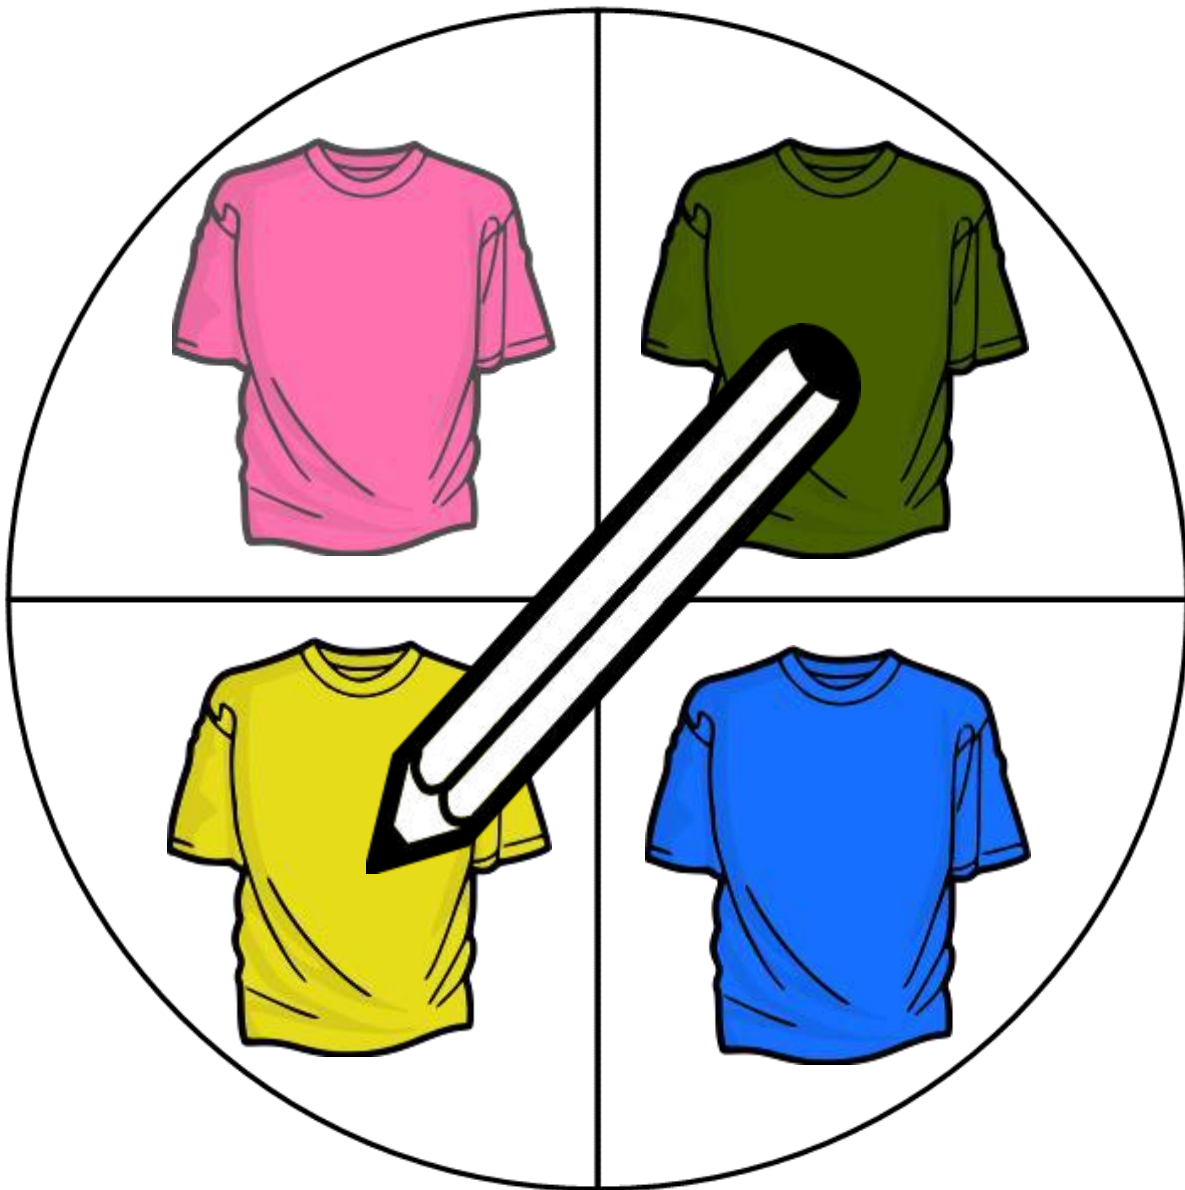

Data and Graphing Worksheet

Spin a pencil 10 times on page 2 and draw tally marks to record your data. Make a bar graph and answer the questions.

Shirt color	Tally	Total
Pink		
Green		
Yellow		
Blue		

1. Which color did you spin the most? _____
2. Which color did you spin the least? _____
3. How many yellow and pink shirts did you spin? _____
4. Which color had more spins? Green or yellow? _____
5. Which color had fewer spins? Blue or pink? _____
6. Did any have the same number of spins? Yes or No?

Spin a pencil and record a tally mark for the shirt color the pencil points at.
