

# Student volunteers bar graph

## Data and Graphing Worksheet

The number of volunteers each day for a project was recorded. Make a bar graph from the data. Write a title, label the axes and make an appropriate scale.

Day	Monday	Tuesday	Wednesday	Thursday	Friday
Number of volunteers	12	18	15	24	27

Title: \_\_\_\_\_

## Answers

Day	Monday	Tuesday	Wednesday	Thursday	Friday
Number of volunteers	12	18	15	24	27
